NATIONAL ASSOCIATION OF INSURANCE
AND FINANCIAL ADVISORS-DALLAS

MARKETING SPONSORSHIP
PROGRAM

Partnership and Marketing Opportunities

Who We Are

**Together We Can Take on Anything
Advocate. Educate. Differentiate.**

NAIFA National, founded in 1890, is one of the largest financial services membership associations in the United States. NAIFA members are financial advisors and insurance professionals who focus first and foremost on client care. Satisfaction comes from providing guidance to families who are seeking financial wellness. A NAIFA Advisor is a person who continuously strives to improve and gives back to the local community, or what we refer to as “Main Street USA.”

NAIFA Dallas, founded in 1913, is the largest local chapter in Texas, and larger than over 20 state chapters. Our membership is made up of advisors that practice at the kitchen table, at local coffee shops, in board rooms and in offices that bear their name - encompassing all aspects of the insurance industry including life, health, property & casualty, annuity, disability, securities and certified financial planning. Due to the 2020 pandemic, 2021 events may be in person, virtual or hybrid.

The mission of this Association is to advocate for a positive legislative and regulatory environment, enhance the business and professional skills of our members and promote ethical conduct in all aspects of our lives.

Why Partner with NAIFA-Dallas?

Connections that Count: Each of our members is a “trusted advisor” to hundreds of clients and they meet with new prospects every day. Marketing Sponsorship connects you with these trusted advisors, on a one-on-one basis, at a diverse line-up of events and programs. Sponsorship puts you “up front and center” with those individuals who can use, or recommend, your products and services.

Your Sponsorship is key to the Association providing its members quality programs around changes in the industry, the economy, retirement planning, asset and risk management. It is through continual education and professional development that our members stay ahead of the pack; ultimately offering higher levels of guidance and service for their clients.

NAIFA-Dallas is excited to offer you the opportunity to sponsor at the Platinum, Gold, Silver or Bronze level.

Our Goal for You

High profile visibility = Return on Investment. Our Sponsorship levels are designed to give you maximum exposure and access to events presented by NAIFA-Dallas to Association Members. Pick the value level that provides your organization the most impact. With your support we can deliver higher-quality events which will, in turn, attract more member attendees.

NAIFA KEEPS ADVISORS IN BUSINESS

According to the Bureau of Labor Statistics, the financial services profession will need to grow more than twice as fast as the overall workforce to meet rising demand.

NAIFA's LACP Certification serves consumers by recognizing financial professionals with a mark of distinction for their product knowledge, consultative sales process, and compliance to ethical, legal, and regulatory requirements.

New advisors benefit as NAIFA provides the networking support and motivation they need to grow their knowledge and stay in business.

Seasoned advisors need to keep up, too. NAIFA membership assists advisors in every stage of their career with targeted programs that will keep them relevant, such as practice diversification, so they can broaden their offerings to more diverse sets of clients.

NAIFA PROGRAMS MEET TODAY'S NEEDS

The modern family is changing, with single and same-sex households, diverse communities and baby boomers who need to know how to decumulate their wealth. Advisors need to shift their focus to serve clients in different ways. Through professional development, education, and resources, NAIFA equips advisors to serve the new market.

NAIFA PROTECTS OUR CLIENTS

NAIFA's members are constituents and employers representing every congressional district in the country. When we act, we get results. Only NAIFA represents advisors in every practice area and in every statehouse across the country in addition to Capitol Hill.
